

Senior/Semi-Senior Audit Position Available

Todres & Company, LLP is seeking an individual to work with our audit staff. The candidate should have recent CPA firm experience ranging from 3 to 7 years and should have familiarity with CCH Engagement and Pro System fx.

The position will involve working with a team on our larger audit clients as well as managing smaller client assignments. Most of the work will be performed in the metropolitan area with some overnight travel to clients located further away. This is an opportunity to work with a diverse and sophisticated clientele on both for profit and not for profit engagements.

We offer a competitive salary package including benefits such as medical and 401(k).

Please email resume and salary requirements to jobs@todres.com. All qualified candidates will be contacted.
